Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Monday 27 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers continuing and breezy, feeling cool.

This Evening and Tonight:
Showers continuing into the evening and night along with some cloud, the south of the region drier with longer clear spells. Breezy around the coast, especially in the early hours. Feeling markedly cooler than of late. Minimum temperature 8 deg C (46 deg F).

Tuesday:
Cloudy and wet from mid-morning and continuing through the day, particularly in the north of the region. Breezy with some gusts along the coast, feeling cool. Maximum temperature 14 deg C (57 deg F).

Outlook for Wednesday to Friday:
Sunny spells and showers on Wednesday. Further showers on Thursday and Friday, some potentially heavy and thundery. Windy and feeling cooler through the period.
